DIVIDE DEFENDER 2d—An outstanding short-legged bull with a grand head and a thick mellow covering of flesh. He is sired by the 1942 International Congress Champion, Divide Defiance, now in service at Cory Farms, Prescott, Arizona. He is a double grandson of Duke of Killearn and his dam is a full sister to Divide Grand Duke, top selling bull of the 1941 International Congress Show & Sale. We offer in this sale 5 sons and 14 daughters of Divide Defender 2d that prove his merit as one of the breed's good sires. His dam, Divide Orange Blossom 5th is one of the top cows in the Allen Cattle Co. herd and his grand dam, Divide Orange Blossom 2d is one of the best Shorthorn females of all time.

There is a reason...

For the Popularity of Swanson Shorthorns

DEPENDABILITY

The Swanson Herd was founded over fifty years ago. The cattle have had bred into them continuously the quality that makes for most efficient beef production at minimum cost. The herd has been founded on individuals of modern type backed by generations of productive ancestry, those which we can depend on as a foundation for producing the most profitable Shorthorns. That dependability has been retained for we sell and keep for breeding purposes only those which meet these high standards.

It is with pleasure that we invite buyers to attend this auction of strictly Swanson productions. The 15 bulls are a grand lot. Ten head are sired by N.U. Royal Nugget and five are by Divide Defender 2d. They are nearly all ready for heavy service, are dark colored, good headed, smooth and typey.

The 15 bred heifers are daughters of N.U. Royal Nugget and Divide Defender 2d and all mated to Scotsdale Admiration. There are 12 open heifers, all sired by Divide Defender 2d and N.U. Royal Nugget. They are a top quality lot, ideally suited for herd replacements.

In order to complete the offering, we have selected ten cows, regular producers in our herd, all with calves at foot or close to calving. Most of the members of our show herd will be included in this offering. These cattle have been conditioned by Walter Davidson since August 1st.

We believe we are safe in saying this is by far the most valuable offering we have ever made. We hope you will be our guests on October 4th.

Roan—Swanson Bros.

The next 15 lots are a grand set of young heifers, all daughters of N. U. Royal Nugget and Divide Defender 2d. They are all mated to our young Imported bull Scotsdale Admiration. They are the most uniform set of females we have ever offered and certainly the most valuable.

VICTORIA MAY 6TH SF—You won't find a better combination of breeding and quality than in this daughter of Divide Defender 2d. She is mated to Scotsdale Admiration.

The next 12 lots are all open heifers including 7 daughters of Divide Defender 2d and 4 by N. U. Royal Nugget. They are a top quality lot, ideally suited for herd replacement. Walter Davidson says that there are some real prospects in this group, several of International Stock Show calibre; Walt should know as he has fitted several champions there.

In order to complete this offering, we have selected 10 cows, regular producers and right out of our breeding herd, all with calves at foot or close to calving.
